Should a school wish to have a "B" or 2nd team that school shall apply to the NRHSAA through a motion at a semi-annual meeting, for permission to do so. The NRHSAA may consent in sport leagues where numbers are down because few schools are participating.

1. Be eligible for competition under the NRHSAA Constitution, By-Laws and Standing Rules (playing regulations);

 - a) Students who have **fewer than twenty-two (22) credits** must be taking courses which define them as full time students under the Ministry of Education definition. Namely, a student in a traditional school must be registered in minimum of six (6) full day school credit courses; and in a semester school, a student must be registered in a minimum of three (3) full day school credit courses in the semester in which he/she participates.

A request for an exemption, with a letter from a regulated mental health professional confirming the student is under their care and that an accommodated timetable or reduced course load is required, must be presented to the Association for approval prior to or during the applicable competition season. JUNIOR - the individual's birth certificate indicates that he/she has not reached his/her 15th birthday by January 1st prior to the start of the school year in which the competition is held.

NOVICE - the individual's birth certificate indicates that he/she has not reached his/her 14th birthday by January 1st prior to the start of the school year in which the competition is held. **Note:** Students may compete in this category for 1 year only, **THEIR GRADE 9 YEAR.**

Following are the age requirements for **TEAM SPORTS**

AND the individual shall be in either of their first two (2) years of high

Niagara Region High School Athletic Association Constitution

school based on the date entry into grade nine (9).

EXCEPTION: A student who has been accelerated one (1) year in elementary school shall be allowed to play at the junior level for a maximum of two (2) consecutive years in the first three (3) years of his/her high school career. The student shall meet the above age requirement and documentation of the acceleration shall be provided with the eligibility sheet.

PLUS:

6. Be in Grades nine (9) to twelve (12);
7. Be eligible for no more than five (5) consecutive calendar years from date of entry into Grade nine (9);
8. Be eligible under the NRHSAA Transfer Policy;

10. Continue to be listed on the eligibility sheet in the higher classification of age group in an activity, if he/she elects to play in two league games in that activity in a classification or age group above which he/she normally could play in a current season. (Interpretation: The second game that the student athlete participates in at a higher level, makes him/her ineligible for further competition at the previous level. Age group refers to the OFSAA, SOSSA, or NRHSAA age groups.);
11. For play-off purposes, has been on the eligibility sheet for at least one (1) regular league game in his/her local school league within his/her Zone;
12. May participate in one championship series only in each sport. Zone, SOSSA, OFSAA are three (3) separate championship series. A series includes all play-off games. (Example: A school has both Junior and Senior Basketball Teams participating in Zone play-offs. The junior team gets defeated and is eliminated from further competition. The senior team wins their play-off game and continues. A junior player who has been made eligible for the senior team may not be called up to participate on the senior team during any zone play-off and/or championship game/s. If the senior team is successful and wins the zone championship, the junior player may participate at the SOSSA and/or OFSAA level including festivals.)
13. Any student who registers and either (i) attends one (1) full term or semester, or (ii) practices or plays or attends a tryout with a team or an intercollegiate team at a postsecondary institution, and then returns to any high school is ineligible for ZONE and/or SOSSA competition in all sports for the remainder of his/her high school career.
14. Be certified as eligible by the Principal of the school.
15. A student may only play on one team in the same sport (team or individual) at the NRHSAA

Niagara Region High School Athletic Association Constitution

level during a school year.

16. **Note:** Any student-athlete from an NRHSAA school that participates in an exhibition / game / tournament for another school will be denied the opportunity to play for their own school in NRHSAA competition. (This does not include the special consideration student in non-Bowl bound football).
17. Para athletes with a S14 classification are permitted to compete until the age of twenty-one (21) and shall be eligible for no more than seven (7) consecutive years from the date of entry into Grade nine (9).
18. School Prep/Elite Team – Students who play on a school prep/elite team and then are no longer on that team but remain at the school, are ineligible for the ‘bona fide’ school team for the current school year and the following school year. A school prep/elite team is a team that represents the school in competition and or is under the oversight of the school administration. (OFSAA May 2019)

SECTION 3 - SPECIAL CONSIDERATION

If a school does not have a particular sports’ team, that student athlete may play for another school’s team provided that:

1. He/she is declared eligible by both principals involved;
2. He/she plays for the nearest school in relation to their home school that offers the sport in question within the same system. However, a student-athlete may be eligible to participate for a school that is not nearest to his/her home school if the reasons are deemed “exceptional”. In “exceptional” cases, approval must be granted by both principals along with the convener and the NRHSAA executive;
3. He/she completes the **Special Consideration Form (Appendix D)** and submits it to the conveners prior to participating. In “exceptional” cases the student-athlete is ineligible to compete until approval is granted by both principals, the convener/s and the NRHSAA executive.

NOTE: As of April 2015 OFSA AGM: OFSAA Championships or festivals for team sports shall only involve teams which have used OFSAA-eligible student-athletes in all competition during the school year. OFSAA-eligible means the student meets all eligibility requirements as defined in the OFSAA playing regulations and the OFSAA by-laws. Any team using an ineligible student-athlete(s) in any competition during the school year forfeits the right to participate in the OFSAA Championship or Festival.

Notes:

1. The term “competition” does not exclusively refer to league play; it is defined as anytime two teams play against each other on a playing surface, whether in Ontario or elsewhere.
2. The requirement that only OFSAA-eligible athletes be used in all competition applies solely to

Niagara Region High School Athletic Association Constitution

teams qualifying for OFSAA Championships or festivals. This does not apply to teams in leagues that do not send teams to OFSAA Championships or Festivals.

3. Team sports shall be considered: boys' golf, field hockey, football, basketball, volleyball, hockey, curling, baseball, rugby, field lacrosse, soccer.
4. For all sports except football, a team using special consideration athletes shall only be eligible to play in the league schedule, and may not play in the playoffs leading to the Zone Championship. The exception to this is football, which may continue to play in the playoffs, for reasons of safety (i.e. in order to ensure there are enough players on the team).

SECTION 4 - CO PARTICIPATION

Co participation within the NRHSAA as per OFSAA regulations will exist. Athletes from two schools may participate on the same team when all of the following criteria are met:

- i) The two (2) schools have entered into an official mutual arrangement of co-participation for the purpose of school sports activities not currently offered at the small school **providing** the smaller school is in compliance with subheadings (ii, iii, iv);
- ii) The student population of one (1) of the school is under one hundred (100) students;
- iii) The two (2) schools either share facilities or are in close proximity to each other:
- iv) The Association supports the mutual arrangement of co-participation of the two (2) schools for sports not currently offered at the small school **providing** the smaller school is in compliance with the first three (3) subheadings (i, ii, iii).

ARTICLE XI - ELIGIBILITY SHEETS

Each school must have an eligibility sheet for each individual and team sport. The only eligibility sheet used will be the OFSAA AELS (Athletic Eligibility List System).

Unless stipulated differently, fully completed and administratively signed and dated eligibility forms must be in the possession of the appropriate convener at least forty-eight (48) hours (two school days) OR earlier before a school's first league game in that sport. Failure to submit the eligibility form in this timely fashion will result in a forfeit. New players may be added at any time by sending their names and birthdates, signed by the coach, athletic director and principal, to the convener on a new OFSAA AELS Eligibility Sheet.

Any junior player used in a senior competition must be clearly marked on the game sheet. Failure to do so will deem the player ineligible for further competition at the lower level. A player may play one league game at the higher level. If a player plays a second game at the higher level, that player automatically becomes ineligible at the lower level. Any player listed on a game sheet is considered to have played in that competition.

Niagara Region High School Athletic Association Constitution

ARTICLE XII - TRANSFERS

SECTION 1 - TRANSFER POLICY

The NRHSAA will abide by OFSAA's Transfer Policy; (Refer to Appendix E). No school shall include in its lineup any student who has been registered as a transfer from another school within the previous twelve (12) months. Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.

Any competitions hosted by a school belonging to the NRHSAA must follow OFSAA eligibility requirements (including all schools which attend the competition). Failure to comply may result in sanctions to schools, team or individuals involved in these competitions. Competition includes tournaments, exhibition games, invitational competitions or any other intra school participation

A copy of the current year transfer form may be found on the NRHSAA website.

SECTION 2 - INELIGIBLE RULING

Any student who has been deemed ineligible by the NRHSAA Board of Reference - Transfer may not represent their school in any competition in the sport/s in question regardless of SOSSA and OFSAA sanctioning. Competition is defined as any meeting between two schools within a sport commencing the first school day of the current school year and including the duration of time leading up to and including the OFSAA Championship dates for that sport. Competition includes controlled scrimmages, exhibition, tournament and league games/matches. These students are encouraged to take part in community leagues during their ineligibility period. Violation will result in sanctions set down by the Board of Reference - SANCTIONS AND PROTESTS.

If a student appeals their ineligibility to SOSSA or OFSAA and is successful with their appeal then that student will become eligible for participation at the zone level of play.

Niagara Region High School Athletic Association Constitution

SECTION 1 - DECLARATION OF PLAY

Schools within the NRHSAA must declare their intention to run a sport by the following deadlines:

| | | |
|----------------------|---|----------------------------------|
| Fall Sports | - | June 1 st |
| Winter Sports | - | October 1 st |
| Spring Sports | - | January 31 (same date for SOSSA) |

- League competition for all NRHSAA team sports at the junior and senior level may be contested in two (2) tiers: Tier 1 and Tier 2.
- Tier 1 will be the SOSSA/OFSAA bound divisions (both Junior and Senior) played by each individual school's classification numbers in their existing zones.

SECTION 1 - DECLARATION OF PLAY

- Tier 2 will be non SOSSA/OFSAA bound divisions (at the Junior and Senior level) played in their existing Zones or a combination of schools from both Zones 3 and 4, depending on the number of teams declaring their intention for this division. Tier 2 league, playoffs and a Tier 2 championship may be scheduled.
- Tier 1 and Tier 2 will be used as athletic environments and while competitive, must also be safe, positive and conducive to the development of self-esteem and sportsmanship. While officials are responsible for enforcing the rules of the game, it is the responsibility of coaches to control the athletic environment. The Tier 2 league will be "developmental" and players in this league need to understand that concept.
- OFSAA eligibility and transfer rules will apply for all divisions in both Zones and in both the Tier 1 and Tier 2 divisions.
- The format for league competition and play-offs for both Tier 1 and Tier 2 will be determined at the Convener's Individual Sport Body Meeting. All schools participating in either Tier are to send a representative (Athletic Director or Principal's Designate) to the Convener's Individual Sport Body Meeting or forfeit the right for input in the league and play-off format.
- Athletic Directors and Conveners have the ability to create an additional Tier that qualifies for SOSSA/OFSAA for teams that wish to have competitive league games and consist of teams from both Zone 3 and Zone 4. Athletic Directors and Conveners will determine how teams qualify for play-offs at the sport specific meetings.

DECLARING UP: If your school would like to declare up for a sport, this must be done in writing on school letterhead and signed by the Principal or Vice Principal of that school.

Niagara Region High School Athletic Association Constitution

The declaration must go to the NRHSAA Coordinator, the Athletic Convener running the sport, and should also be forwarded to the SOSSA Administrative Secretary.

Schools who wish to move to a higher classification (i.e., AA TO AAA) for FALL activities, must complete and submit reclassification request by the SOSSA ANNUAL GENERAL MEETING (JUNE of each school year) prior to the fall of reclassification.

For reclassification for WINTER sports, the written request must be made by NOVEMBER 15th of each school year. For reclassification for SPRING sports, the written request must be made by the Friday before the March Break or March 15th whichever comes first in that school year.

Declarations must be made on the **NRHSAA Intention Sheet (Appendix D)** for all sports.

SECTION 2 - SCHOOL CLASSIFICATION

School classification (A, AA, AAA) is based on enrolment on **October 31st** of the previous school year. A team may opt to play at a higher classification if they declare their intention by the Declaration of Play deadlines. If a school's **October 31st** enrollment changes their classification then they must honor their current schedule for the remainder of that sport season.

SECTION 3 - LEAGUE AND PLAY-OFF FORMAT

The format for league competition and play-offs will be determined at the Conveners Individual Sport Body Meeting. All schools participating are to send a representative (Athletic Director or Principal's designate) to the Conveners Individual Sport Body Meeting otherwise forfeit all rights for input in the league and play-off format.

A Badminton coaches meeting will be held the first week of March in order to schedule the season's sub zone and zone tournaments. Any realignment of subzones will also take place at this meeting. Athletic Directors from each school will be invited and may choose to attend or send an approved representative from their school.

Athletic Directors must have the final approval of the draft and final sport schedules in form. The approval from the Athletic Director will be sent to the convener in the form of an e mail.

All sport schedules shall have **NO** more than twelve (12) league games in a season.

SECTION 4 - ZONE FINAL

Niagara Region High School Athletic Association Constitution

Stage One (DRAFT-to-FINAL COPY) Schedules will be distributed to all participating schools.

For fall, winter and spring sports, errors/omissions by the Convener must be corrected within three (3) school days.

NOTE: After schools receive this “Draft-to-Final” copy, the schedule will be considered “FINAL”. Changes to this “Draft-to-Final Copy” must be approved by both schools involved and those changes must be conveyed to the appropriate convener within seventy-two (72) “working” hours or three (3) school days.

No revisions will be made by a convener, unless all coaches involved in a game/match /time change agree to the change and the convener(s) are notified to make the referee arrangements. Documentation by email is required.

If referees are unable to accommodate the new schedule, the original game date and time will stand. Sport specific conveners will notify coaches involved of referees’ availability.

Revisions made to the final schedule should be due to extenuating circumstances.

Tournaments are to be scheduled around the final schedule. Teams that are not able to compete for reasons that are not deemed “extenuating” by the conveners and/or NRHSAA Executive will result in a forfeit.

AFTER seventy-two (72) HOURS A “FINAL COPY” (the word “DRAFT-to” will be removed) WILL BE SENT OUT TO THE COACHES

Note: League and play-off games may not start earlier than 3:30 p.m. on a regular school day with the exception of the following sports: Football which may start earlier when “standard time” occurs, Ice hockey due to ice-time availability; Field Lacrosse due to the availability of fields and officials’. Student/athletes are encouraged to experience a variety of sports. Sports that are “in-season” are to have priority over sports that are not. It is recommended that team selection occur no earlier than:

- The first day of school for fall sports;
- November 1st for winter sports;

ARTICLE XVII – SAFETY

The Ontario Physical Education Safety Guidelines - Secondary - Interschool Athletics should be followed for each sport. It is the responsibility of the principal, coaches and boards to ensure that the safety guidelines are met.

ARTICLE XVIII - SUPERVISION OF INTERSCHOOL TEAMS

Any school entering a NRHSAA competition must be under the supervision of a coach who has been approved by the Principal of the school which it represents.

Note: It is implicit to understand that “supervision” starts with the first practice to the last game/match/meet of the high school season. It is strongly suggested by the Zone that any “outside coach” for any NRHSAA team be interviewed on procedure and protocol by the possible “inside” coach involved, and/or staff advisor, and/or athletic director and/or administration and if deemed necessary have that person(s) sign a “Coaching

Niagara Region High School Athletic Association Constitution

Permission Form.”

Any coach who is dissatisfied with an official and/or minor official or questions the facilities or conduct of another school’s coach or team should report (IN WRITING) such to the Convener. The Convener should immediately contact the NRHSAA Coordinator.

ARTICLE XIX – SUSPENSIONS

The NRHSAA has adopted a “Zero Tolerance Policy” for any altercations which occur outside the context of the competition.

SECTION 1 - EJECTION FROM COMPETITION

If a player or coach is dismissed from any NRHSAA activity (league game/match or play-off game/match), that player or coach will be suspended from his/her next league or play-off contest and **THAT COACH IS NOT PERMITTED TO COACH ANY OTHER SCHOOL TEAM SANCTIONED BY SOSSA WHILE SERVING THE SUSPENSION** unless, after a formal protest, the Board of Reference-sanctions and protests rules to the contrary.

The referee is to indicate on the game sheet the reasons for his/her decision to remove the player or coach from the competition. A copy of the report shall be forwarded by the home school to the Chair (Coordinator) of the Board of Reference-sanctions and protests and the convener for that sport. The onus of the appeal is on the coach (see Article VIII, Section 1 for appeal procedures).

Any player or coach ejected from a game and then ejected a **second time** in the same season in that sport shall be under permanent suspension in all future inter-school competition (NRHSAA, SOSSA, OFSAA) until his/her case is reviewed and ruled on by the Board of Reference-sanctions and protests . The onus of the appeal is on the coach (see Article VIII, Section 1 for appeal procedures).

NOTE: Any player ejected from his/her final game in his/her potential graduating year may be subject to school discipline or subject his/her school to sanctions or fines as seen fit by the convener of the sport and/or the NRHSAA Athletic Coordinator.

SECTION 2 - PHYSICAL OR VERBAL ALTERCATION

Any player or coach who is involved in an altercation before, during or after a school sanctioned competition shall be under permanent suspension in all future inter-school competition (NRHSAA, SOSSA, OFSAA) until his/her case is reviewed and ruled on by the Board of Reference-sanctions and protests. The onus of the appeal is on the coach (see Article VIII, Section 1 for

Niagara Region High School Athletic Association Constitution

appeal procedures).

Any player, coach or supervising adult that strikes or threatens a coach or an official “or comes off the bench and becomes involved in an altercation that results in his/her expulsion by the official” will be suspended from all further NRHSAA competition in that year, or until reviewed by the Board of Reference-sanctions and protests. Any such incidents should be reported in writing by the coaches involved to the Chair (Coordinator) of Board of Reference-sanctions and protests and the convener of that sport within twenty-four (24) hours of the incident. A spectator may report an incident in writing to the NRHSAA Athletic Coordinator or Chair of the Board of Reference-sanctions and protests within twenty-four (24) hours of the incident.

NOTE: Any suspension or disciplinary action in Zone play shall be carried forward into SOSSA competition. The Zone Convener shall be responsible for reporting such student/athletes and the nature of the disciplinary action on the SOSSA eligibility sheet.

ARTICLE XX- PAYMENT OF OFFICIALS

The home team is responsible for payment of officials for all league and play-off games. The visiting team is responsible for transportation costs to and from the competition.

If a visiting team defaults a game/match and the officials were not contacted in time, that team will pay for the referee(s) if the home team had to pay. Reminder; “teams that are not able to compete for reasons that are not deemed “extenuating” by the conveners and/or NRHSAA Executive will result in a forfeit”.

If a gate is charged at an NRHSAA league or play-off game then all expenses will be paid from the gate (referees, minor officials, linesmen, security, score keepers, etc.) and the remainder of the gate will be divided equally between the home and visiting team.

In the event a play-off game is played at a neutral site then the cost of officials will be shared equally between participating teams.

ARTICLE XXI - REPORTING SCORES

It is the responsibility of the home team to enter game scores on the www.nrhsa.ca website, within 24 hours of game completion.

In the final week of the schedule, in addition to entering scores on the website, the home team must also contact the convener at home that night with the results of the competition.

In the playoffs, the winning team must contact the convener at home that night with the results of the competition.

Niagara Region High School Athletic Association Constitution

ARTICLE XXII - TIE BREAKING PROCEDURES

The following method of determining play-off position will be used in all sports where a league schedule leads to a play-off:

- (1) Record between tied teams;
- (2) Record against teams higher in the standings (1 above, then 2 above, etc.);
- (3) Record against teams lower in the standings (1 below, then 2 below, etc.);
- (4) A coin flip to determine play-off position only.

The conveners will perform the coin flip. The school that is alphabetically highest will have “heads” in the coin flip (**see Appendix A1 and A2 for alphabetical listing for each zone**). The convener will notify schools of the results.

- (a) Play-off on a neutral field/court or a coin flip for home field if both coaches agree, if it is to determine the final play-off position.
- (b) In the event of a four (4) way tie, the conveners in consultation with the NRHSAA Executive and the schools involved will determine a tie-breaking procedure.

ARTICLE XXIII – GAME FORFEITURES

The following policies are in place for game forfeitures:

- (1) Should a team forfeit a game with less than forty-eight (48) hours’ notice, all costs associated with the game shall be charged to the forfeiting school.
- (2) Should a team forfeit a game, the forfeiting team will be given a loss as a result of the forfeit.
- (3) Should a team forfeit two (2) games during regular season play, the team shall be removed from the league and all points earned in games played against that team shall be removed from league standings.
- (4) A team that forfeits a game during the regular season loses all rights with regards to tie breaking procedures. (i.e. If the team is tied for third (3rd), the team will be relegated to fourth (4th) place).
- (5) A team that forfeits a playoff game shall also forfeit the right to play any further playoff games at the current or subsequent level of playoffs (i.e. When two (2) teams qualify for SOSSA). (April 2016)

ARTICLE XXIV – SOSSA “HOST” TEAM FOR OFSAA CHAMPIONSHIPS

If a school hosts an OFSAA Championship, the school has the first right of acceptance or refusal to host the SOSSA Championship for that activity, in the same school year, as the OFSAA Championship.

ARTICLE XXV - GENDER EQUITY

Gender equity in school sport is the belief and practice which ensures fair access for all student-athletes, coaches, officials and administrators to participate, compete and lead.

Equity does not necessarily mean that all persons must be treated exactly the same. People may need to be treated differently in order to be treated fairly.

Student-Athletes will enjoy a full and equitable range of opportunities for participation, officiating, competition and leadership in school sport activities.

OFSAA supports student-athlete participation on a team of their lived gender and encourages equitable programs in co-curricular activities in terms of funding, practice time and facilities.

OFSAA will continue to provide equitable opportunities for students in co-curricular activities.

If a sport activity is not available for a female on a girls' team, she is eligible to participate on a boys' team following a successful try out.

Where a sport activity is available for a female on a girls' team, she is eligible to participate on a boys' team if she demonstrates comparable skill and ability during a successful tryout.

If a sport activity does not exist for a boy, he is not eligible to participate on a girls' team.

ARTICLE XXVI – RECRUITMENT POLICY

OFSAA has enhanced its Recruitment Policy effective the 2015-16 season.

Please see Appendix J of the NRHSAA Appendices for the Recruitment Policy in full.
